

**Resilient Support Services Inc**

# Presentation

February 15, 2019

# Brief History

In 2016, we developed a business plan to establish a Service Company that completes projects for NYS as a SDVOB.

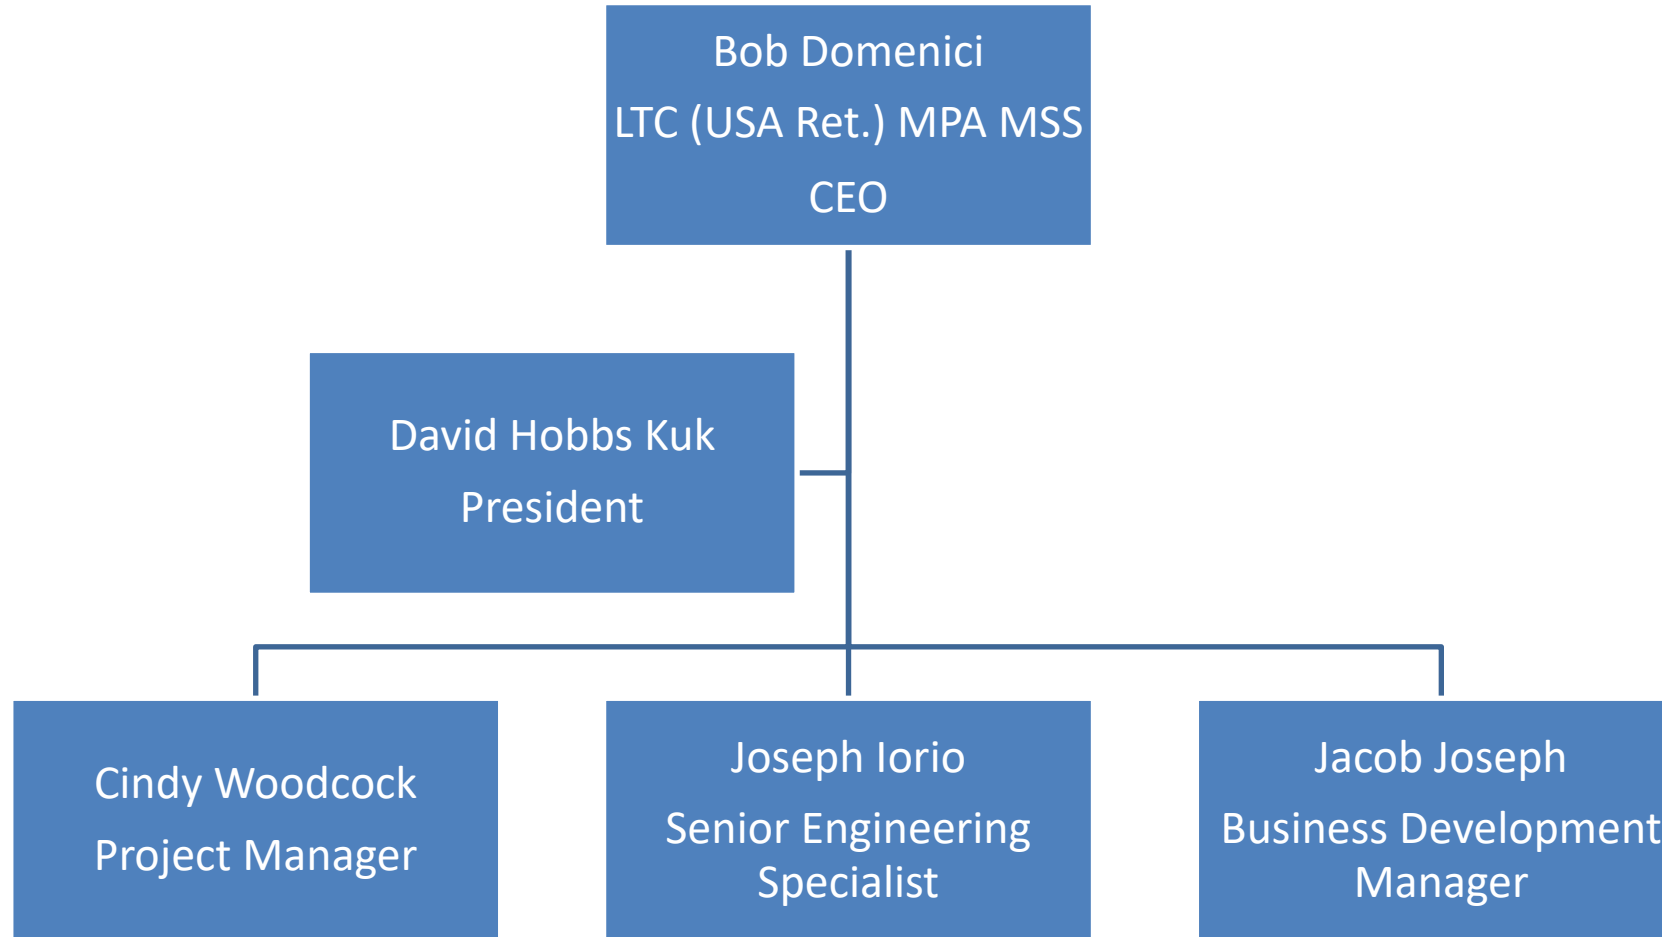

RSS was established in January 2017 and won their first 4 projects within the next few months.

As of early 2019, RSS has been awarded over \$4.5 million with another \$6.5 million in bids into the hands of various contract holders.

# RSS Management Team
